PROFESSIONAL SUMMARY

Detail-oriented tech-savvy Virtual Assistant with hands-on experience in bookkeeping, AI video creation, and general virtual assistance. Proficient in Zoho Books, Google Workspace, Microsoft Excel, and modern AI tools. Known for strong organization, accuracy, and delivering high-quality digital content for freelance clients.

WORK EXPERIENCE

Bookkeeper

February 2026 – Apr 2026

Freelance / Remote — *Rarelink*

- Managed end-to-end bookkeeping using Zoho Books for multiple remote clients
- Reviewed and categorized client invoices, bank statements, and transactions using the Chart of Accounts
- Generated monthly financial reports (Profit & Loss, expense summaries) to support business decision-making
- Utilized Claude AI to create client-friendly financial summaries and ensure data accuracy
- Maintained organized, audit-ready financial records

AI Video Creator & Editor

February 2026 – Present

Freelance / Projects — *Ruben & Olives Toys*

- Created high-quality short-form AI-generated videos using Kling, Topview, HeyGen, and Seedance
- Edited and optimized videos in CapCut (cutting, transitions, captions, music sync, color grading)
- Added professional animated subtitles using Submagic to boost engagement
- Managed TikTok content strategy, posting, and basic audience engagement
- Delivered UGC-style advertising videos optimized for TikTok, Instagram Reels, and YouTube Shorts

Virtual Assistant

April 2026 – May 2026

Freelance / Remote Clients — *Death, Taxes, and Depreciation*

- Managed and organized spreadsheets for data tracking and workflow optimization
- Developed 30-day content calendars and scheduled high-volume social media posts (up to 30 tweets/day)
- Handled email management, data entry, and general administrative support
- Supported clients with content repurposing and communication tasks

PROJECTS & ACTIVITIES

PROJECTS

- Database Self-Schedule Tracking System — Developed a web-based scheduling system using PHP, MySQL, HTML, CSS, and JavaScript
- Team Presentation & Documentation — Created professional slides and reports using Canva, Microsoft Word, and Google Docs.
